M365 Cloud Environment Setup and Migration

Seamless migration and setup of your Microsoft 365 environment, enhancing collaboration, productivity, and security across your organization.

CHALLENGE

Organizations in non-profit, healthcare, and government sectors often use legacy systems and on-premises infrastructure, hindering collaboration, productivity, and efficiency. Migrating to Microsoft 365 is crucial but daunting due to the complexity of data and user migration and the need for a secure, collaborative workspace. A smooth transition ensuring data integrity, minimal operational disruption, and an empowering setup for users is essential.

SOLUTION

Avange's service addresses these challenges, offering a comprehensive solution for migrating data and users to Microsoft 365. We understand your organizational structure, user information, planned groups, data, documents, and access rights requirements to create a tailored action plan and specification. This plan facilitates the creation of M365 resources, identities, groups, teams, and access environments, ensuring users have access to emails, Teams, MS Office, and other tools, with documents available in SharePoint, OneDrive, and Teams. We also establish user onboarding and offboarding processes for a seamless, secure, and collaborative Microsoft 365 setup.

BENEFITS

- **Cost Reduction:** Eliminate expenses associated with on-premises infrastructure.
- **Efficiency Improvement:** Leverage scalable Azure to efficiently meet organizational needs.
- **Productivity Enhancement:** Utilize Microsoft 365's collaboration tools for improved teamwork.
- **Simplified Management:** Centralized management interface simplifies policy definition, protection, monitoring, and management across environments.

About Avange

Avange was born out of a deep understanding of both the corporate and humanitarian worlds. Our team boasts professionals who have collaborated with global giants in the private sector and have also been on the ground with esteemed organizations like the United Nations and Doctors Without Borders (MSF) European Space Agency (ESA), Argentinian Ministry of Health, and many other organizations around the world. This rich tapestry of experiences ensures that our approach is always rooted in real-world challenges and solutions.

Our strength lies in our diverse backgrounds, with team members who have navigated the precision of the corporate world and the unique demands of healthcare, NGOs, and government projects. This blend equips us with a holistic perspective, allowing us to craft IT solutions that are not only technologically advanced but also culturally sensitive and mission-aligned.

At Avange, we pride ourselves on our ability to bridge the gap between technology and the humanitarian and healthcare sectors. Our collective experience is our greatest asset, and our commitment is unwavering: to empower organizations to achieve more, serve better, and make a lasting impact.
