## Microsoft Viva Suite Deployment

Transform the employee experience by seamlessly integrating communication, learning, and insights into daily workflows with the Microsoft Viva Employee Experience Platform.

### CHALLENGE

In the dynamic digital workplace landscape, organizations aim to craft environments where employees can thrive, collaborate efficiently, and access resources and learning effortlessly. The challenge is integrating these elements seamlessly into daily workflows without overwhelming employees, while promoting a positive, productive work culture. Organizations require a solution that is technologically advanced, intuitive, and user-friendly to cater to their workforce's diverse needs.

### SOLUTION

The objective of our Microsoft Viva Suite Deployment service is to meticulously deploy and configure Microsoft Viva to enhance the overall employee experience. Through a careful assessment of your organization's unique needs, we select the appropriate Microsoft Viva modules, create a detailed action plan, and implement the solution. This service includes power user training to ensure your team can effectively utilize the platform, along with providing comprehensive documentation and support during the handover process.

### BENEFITS

- **Increased Productivity:** Microsoft Viva enhances collaboration through integrated tools like Teams, fostering efficient teamwork and communication.
- **Improved Efficiency:** Leverage the scalable Azure platform to adjust resources as needed, efficiently meeting your organization's demands.
- **Simplified Management:** The centralized management interface for Microsoft 365 simplifies policy definition and management across various environments, ensuring protection and efficient management of enterprise workloads.

## About Avange

Avange was born out of a deep understanding of both the corporate and humanitarian worlds. Our team boasts professionals who have collaborated with global giants in the private sector and have also been on the ground with esteemed organizations like the United Nations and Doctors Without Borders (MSF) European Space Agency (ESA), Argentinian Ministry of Health, and many other organizations around the world. This rich tapestry of experiences ensures that our approach is always rooted in real-world challenges and solutions.

Our strength lies in our diverse backgrounds, with team members who have navigated the precision of the corporate world and the unique demands of healthcare, NGOs, and government projects. This blend equips us with a holistic perspective, allowing us to craft IT solutions that are not only technologically advanced but also culturally sensitive and mission-aligned.

At Avange, we pride ourselves on our ability to bridge the gap between technology and the humanitarian and healthcare sectors. Our collective experience is our greatest asset, and our commitment is unwavering: to empower organizations to achieve more, serve better, and make a lasting impact.
