## Data Leakage Protection

Secure critical data, preventing unauthorized sharing and ensuring compliance to protect your organization's reputation.

### CHALLENGE

Organizations are entrusted with sensitive data whose mishandling or leakage can result in significant financial and reputational damage. The challenge lies in protecting this data from both external threats and internal mishandling, necessitating a system that not only safeguards data but also controls internal access and sharing securely and compliantly.

### SOLUTION

The service aims to create a secure environment where sensitive data is protected against unauthorized access and sharing. It implements robust Data Loss Prevention (DLP) measures aligned with regulatory requirements, thereby preventing data breaches and securing sensitive information. The service includes comprehensive documentation and training initiatives to empower your team to manage and utilize the DLP measures effectively, fostering a culture of security and compliance within the organization.

### BENEFITS

- **Increased Security:** Implement measures to protect sensitive data from unauthorized access and sharing.
- **Improved Compliance:** Ensure adherence to data protection and privacy regulations, avoiding legal and financial penalties.
- **Reputation Protection:** Secure sensitive data to prevent breaches and protect your organization's reputation.
- **Risk Mitigation:** Identify and mitigate risks associated with data leakage proactively.

## About Avange

Avange was born out of a deep understanding of both the corporate and humanitarian worlds. Our team boasts professionals who have collaborated with global giants in the private sector and have also been on the ground with esteemed organizations like the United Nations and Doctors Without Borders (MSF) European Space Agency (ESA), Argentinian Ministry of Health, and many other organizations around the world. This rich tapestry of experiences ensures that our approach is always rooted in real-world challenges and solutions.

Our strength lies in our diverse backgrounds, with team members who have navigated the precision of the corporate world and the unique demands of healthcare, NGOs, and government projects. This blend equips us with a holistic perspective, allowing us to craft IT solutions that are not only technologically advanced but also culturally sensitive and mission-aligned.

At Avange, we pride ourselves on our ability to bridge the gap between technology and the humanitarian and healthcare sectors. Our collective experience is our greatest asset, and our commitment is unwavering: to empower organizations to achieve more, serve better, and make a lasting impact.
